

# Mariam Khan

FRONTEND DEVELOPER

Sharjah, UAE | 0555046240 | [mariam.fatimaa007@gmail.com](mailto:mariam.fatimaa007@gmail.com)

LinkedIn: <https://www.linkedin.com/in/mariam-khan-57551b241/>

Portfolio: <https://mariam1432.github.io/portfolio/>

## Objective

Front-End Developer with **2+ years of hands-on experience** building responsive, secure, and user-friendly web applications using **React.js, JavaScript (ES6+), TypeScript, and Tailwind CSS**. Skilled in transforming UI/UX designs into functional code, integrating RESTful APIs, and optimizing performance across devices. Experienced in the **financial services** sector, with a strong understanding of **secure data handling and compliance**.

## Technical Skills

**Frontend:** React.js, JavaScript (ES6+), TypeScript, Next.js, React Native, HTML5, CSS3

**State Management:** Redux, RTK Query, Context API

**UI & Styling:** Tailwind CSS, Material UI, GSAP, Responsive/Mobile-First Design

**Backend/Full Stack:** REST APIs, Node.js, Express.js, MongoDB

**Tools:** Git, GitHub, Webpack, NPM, Trello, Agile

**Other:** Accessibility Standards, SEO Optimization, Figma (Basics)

## Experience

### Bitspro | Front-End Developer 2021 - 2023

- Developed and maintained responsive web and mobile applications using **React.js** and **React Native**.
- Built **reusable UI components** and integrated **RESTful APIs** for dynamic data handling.
- Optimized applications for **performance, accessibility, and SEO**.
- Collaborated with designers and backend teams in **Agile** sprints using GitHub and Trello.
- Resolved UI bugs and improved **page load times** across browsers and devices

### Freelance Front-End Developer 2021 - Present

- Designed and developed **responsive websites** for small businesses and startups.

- **Key Project:** ArabStar – *Car Rental App* (React.js, Tailwind CSS, Strapi) with a strong focus on UX and performance.
- Tech Stack: React.js, Tailwind CSS, GSAP, Strapi, REST APIs.

#### **Emirates NBD Global Services | Credit Card Processor 2024 - Present**

- Process and validate retail and corporate credit card applications.
- Ensure **compliance, data security, and accuracy** under strict banking regulations.
- Strengthened **attention to detail** and **problem-solving skills** in a regulated environment.

#### **Projects**

- **Yummyano – Recipe Manager (MERN Stack):** Recipe management app with admin panel, responsive UI, and API integration.
- **Urban Store – E-commerce Platform:** Built with React.js, TypeScript, Tailwind CSS, Context API.
- **ArabStar – Car Rental App:** Client project with React.js, Tailwind CSS, and Strapi backend.
- **CamCrew – Animated Landing Page:** Implemented GSAP animations for a dynamic user experience.
- **Gourmet Haven – Restaurant Landing Page:** Interactive and responsive design with modern UI.
- **Luxury Homes – Real Estate Landing Page:** Elegant design featuring smooth GSAP effects.

#### **Education**

##### **University of Sindh, BS Software Engineering 2016 – 2019**

Relevant Coursework: Data Structures, Web Development, Database Management Systems
